

section 751(a)(2)(B)(iii) of the Act and section 353.22(h)(4) of the Department's interim regulations, will no longer be permitted and, should the final results yield a margin of dumping, a cash deposit will be required for each entry of the merchandise.

The following deposit requirements will be effective upon publication of the final results of this new shipper antidumping duty administrative review for all shipments of certain welded carbon steel standard pipes and tubes from India entered, or withdrawn from warehouse, for consumption on or after the publication date, as provided by section 751(a)(1) of the Act: (1) the cash deposit rate for the reviewed companies will be those established in the final results of this new shipper administrative review; (2) for exporters not covered in this review, but covered in previous reviews or the original less-than-value (LTFV) investigation, the cash deposit rate will continue to be the company-specific rate published for the most recent period; (3) if the exporter is not a firm covered in this review, previous reviews, or the original LTFV investigation, but the manufacturer is, the cash deposit rate will be that established for the most recent period for the manufacturer of the merchandise; and (4) the cash deposit rate for all other manufacturers or exporters will continue to be 7.08 percent, the all-others rate established in the LTFV investigation (51 FR 17384, May 12, 1986).

These requirements, when imposed, shall remain in effect until publication of the final results of the next administrative review.

This notice serves as a preliminary reminder to importers of their responsibility under 19 CFR 353.36 to file a certificate regarding the reimbursement of antidumping duties prior to liquidation of the relevant entries during this review period. Failure to comply with this requirement could result in the Secretary's presumption that reimbursement of antidumping duties occurred and the subsequent assessment of double antidumping duties.

This new shipper administrative review and notice are in accordance with section 751(a)(2)(B) of the Act (19 U.S.C. 1675(a)(2)(B)) and Section 19 CFR 353.22(h) 1996.

Dated: April 23, 1997.
